

Verse 1

em C G  
It ain't no fun lying down to sleep  
em C G  
And there ain't no secrets left for me to keep  
em C G C  
I wish the stars up in the sky would all just call in sick  
em C D C  
And the clouds would take the moon out on some one-way trip

Verse 2

I drove all night down the streets that wouldn't bend  
But somehow they drove me back here once again  
To the place I lost at love and the place I lost my soul  
I wish I'd just burn down this place that we called home

PreChorus

C D C  
It would all have been so easy if you'd only made me cry  
C D C  
And told me how you're leaving me to some organ grinder's lullaby

Chorus

G C G C G D C  
It's hard, so hard it's tearing out my heart it's hard letting you go

Verse 3

Now the sky it shines a different kind of blue  
And the neighbours dog don't bark like he used to  
Well - me, these days I just miss you, it's the nights I go insane  
Unless you're coming back, for me, that's one thing I know that won't change

Chorus

Bridge

em D C am em D C am  
Ooooh Ooooh  
em D C am em D C am  
Ooooh Ooooh

C D Em C  
Now some tarot card shark said I'll draw you a heart and we'll find you somebody else new  
C D C D  
But I've made my last trip to those carnival lips when I bet all that I had on you

Chorus

It's hard, so hard It's hard, so hard it's hard letting you go

Chorus

It's hard, so hard it's tearing out my heart but it's hard letting you go
