

C G Am
Sitting here just watching you sleep,

F C
Wish I could slip inside and be,

F C G
In some technicolour dream,

C G Am
But the air's too thick for one of us to breathe,

F C
I'm not fool enough to think,

F C G
You couldn't live life without me,

F G C
I didn't come this far to throw the towel in,

F G C
I didn't fight this hard to walk away,

Am E F
If I ain't smart enough to say I'm sorry,

F G C
It's just because the words got in the way,

Chorus:

F G C
Jaine don't you take your love to town,

F G C
Jaine don't you take your love to town,

Am E F
If I've got to beg, I'll beg, just don't walk away

F G C
Jaine don't you take your love to town,

C G AM
I remember how it used to be,
F C
I was you and you were me,
F C G
We were more than just the same,

C G
Now these shoes don't fit, My skin's too tight,

AM F
When you want a kiss, I take a bite,
C F C G
Let your heart call up the cops, read me my rights,
F G C
Last night I drank enough to drown,
F G C G
Raise a toast to your good looks and to my health,
AM E F
Look, we both know how much I've let you down,
F G C
Jaine don't take your love to town,
