

I will stay by your side now and forever,  
I will always only be in love with you.  
Is it true when you say that you love me  
and is it true that I'm the one?

In the day we walk together  
in the night I think of you

Is it true when you say that you love me  
and is it true that I'm the one?

I will phone your mother and ask her  
if I can marry you.

I will stay by your side now and forever,  
I will always only be in love with you.  
Is it true when you say that you love me  
and is it true that I'm the one?
