Remember when we used to look how sun set far away?  
Dm C G  
And how you said: "this is never over"  
Am C  
I believed your every word and I guess you did too  
Dm C G  
But now you're saying : "hey, lets think this over"

F G Am  
You take My hand and pull me next to you, so close to you  
F G Am  
I have a feeling you dont have the words  
F G C G Am G F  
I found one for you, kiss your cheek, say bye, and walk away  
C G  
Don?t look back cause I am crying

I remember little things, you hardly ever do  
Dm C G  
Tell me why. I don?t know why its over  
Am C  
I remember shooting stars, the walk we took that night  
Dm C G  
I hope your wish came true, mine betrayed me  
F G Am  
You let my hand go, and you fake a smile for me  
F G Am  
I have a feeling you don?t know what to do  
F G C G Am G F  
I look deep in your eyes, hesitate a while...  
C G  
Why are you crying?

I see you walking hand in hand with long-haired drummer of the band  
C Dm  
In love with her or so it seems, he?s dancing with my beauty queen  
F Am  
Don?t even dare to say you hi, still swallowing the goodbye  
G F G F  
But I know the feelings still alive, still alive

I lost my patience once, so do you punish me now

I?ll always love you, no matter what you do

But there is one thing you must understand
